Parental Access to the Online Medical Record of a Patient 14 to 17 Years Old

Requirements and Procedures

For children who are 14-17 years old, a birth parent or legal guardian can access the online medical record with the child’s consent. With the consent of a parent or legal guardian, children 14-17 years old can access their own online record.

Requirements for accessing a child’s record:

- Birth parent or individual requesting access must have legal guardianship rights
- Parental authorization form must be completed and signed
- Each parent or individual requesting access must have their own MyChart account or a MyChart account will be established for them by the MyChart staff

I understand that:

- I must have a MyChart account or an account will be established for me
- I must log in to MyChart with my own User ID & Password
- I agree to abide by the terms and conditions of the MyChart site
- MyChart is not to be used in an emergency

Birth Parent/Legal Guardian access to a child’s record is revoked when:

- Birth parent/legal guardian or child submits a request or revokes online
- Child turns 18 years old
- Child advises Reading Health System of his/her emancipated status
- Parent/parent or parent/child access disputes cannot be resolved

If all parent/legal guardian access to online medical information is revoked, the child’s MyChart access will also be revoked. Reading Health System reserves the right to revoke online access to medical information at any time.

Communications on behalf of your child must be sent from your child’s MyChart record and responses will be received in your child’s record. MyChart email alerts will be sent to the email address entered in the child’s MyChart record.

If you already have a MyChart account, you will receive a MyChart message when access to the patient’s record becomes available, typically 24 business hours after completed authorization form is received.

If you do not have a MyChart account, you will receive a MyChart Activation Letter with instructions on how to create one. If you do not activate your account within 60 days after receiving you MyChart Activation Code, your code will expire. Please promptly activate your account.
